**Salary:** £3.30 per hour  
**Location:** Beaudesert Outdoor Activity Centre  
**Contract:** Permanent  
**Hours:** 37  
**Benefits:** Pension Scheme, Uniform package, option to live in.

## The role

Passionate about providing life changing adventurous experiences for young people and adults? Love the outdoors and adventurous activities. ? This could be the opportunity you've been looking for!

As an apprentice activity instructor you will learn as you work gaining instructing skills in a number of outdoor activities. You'll learn about instructing, maintaining activities, compiling risk assessments and completing activity checks. You'll also learn about centre tasks generally and you'll spend some time working with the maintenance team and the cleaning team. It's a really varied role. You'll work with the college to achieve an NVQ2 in outdoor activity leadership. You'll also complete a couple of national governing body awards in activities such as archery or fencing. There will be other training courses including health and safety, food hygiene and first aid. You'll start by learning lots and gradually work up to running sessions and gaining experience yourself. Our aim is that by the time you leave you are ready for a full time role as an instructor. As most of our business is at weekends, the role will regularly work Saturday and Sundays.

## About you

You will be enthusiastic about the outdoors, ideally you'll have some experience of climbing, paddling or archery. You'll be happy to live on site and commit to the full year. You'll be between 18 (or very close to, on starting) and 21 and you'll have ideally at least a grade c in math and English GCSE.
