

CAN YOU INSPIRE?

Project Supporter

Every year we help over 450,000 young people in the UK enjoy new adventures; to experience the outdoors, interact with others, gain confidence and have the opportunity to reach their full potential. And it's not just young people who can get in on the action. Working alongside our youth members are thousands of adult volunteers.

The Potteries North District in Staffordshire are looking to provide new provision which represents the Chell, Chell Heath & Fegg Hayes area and are seeking a self-employed "Project Supporter" to support this project during its initial set-up period of 20 weeks.

The Project Supporter will provide hands-on, consistent and experienced support to new adult volunteers as they start to get used to running their new sections and group.

The Project Supporter will also work alongside the District and Regional Services Team and help drive the project forward. They will be self-employed and support the development of the group and its new volunteers. Helping to mentor those new adults on their journey through Scouting

and to ensure their sections and group become sustainable.

So, if you are passionate about the growth of Scouting and believe you have what it takes to support a new Group; It's development and success, do not hesitate to contact us for more information.

Expressions of interest are required by 27th November 2016.
