

# Kandersteg Adventure 2019

## Young Person Application

**Staffordshire Scouts**

### What is it all about?

In July/August 2019, Staffordshire County Scouts are taking Scouts, Explorers, Network and Leaders to the Kandersteg International Scout Centre in Switzerland.

We will go for 12-14 days (between 28<sup>th</sup> July and 12<sup>th</sup> August), take part in various activities at the campsite and in the mountains around including walking, climbing, rafting, swimming in a mountain lake and going down a huge sled run! Please visit [www.kisc.ch](http://www.kisc.ch) to see some amazing photos and look at some of the activities on offer!

### So, who can go?

Young people aged 12-18 or Network members up to 25.

### Is there a selection process?

This will depend on numbers. As a County, we would like to give as many Young People the opportunity to attend but we are limited on the number of people we can take.

As a young person applying if we have more than the number we are limited to you will have to attend a selection weekend at Kibblestone Campsite on the 9<sup>th</sup>-11<sup>th</sup> March 2018.

Application forms need to be completed by midnight on 4<sup>th</sup> February. You will then be contacted and if we need to have a selection process we will let you know.

Once you have read through this information please continue the application on the next few pages, ensure all details are correct, and fill in as much information as possible.

### How much will it cost?

At this point we are looking at a maximum of £1250 which would cover all your flights, food, accommodation and activities. *Payment dates will be split (£100 deposit by 31<sup>st</sup> March 2018, £275 by 1/10/18, £275 by 1/2/2019 and the remaining balance by 1/6/2019).* We do not expect the cost to be any more than this and we would keep you updated as we know more information. This should cover two training camps before the trip, but there may be a need to contribute towards these.

All young people are encouraged to fundraise to cover the cost of the trip, by doing so you will have the opportunity to learn new skills as well as contribute your own time towards the experience. As a leadership team, we will support as much as possible in fundraising.
