

Staffordshire County Young Leaders – Residential Weekend 8th – 10th February 2019

Sept 2018

Dear Young Leaders,

I am pleased to announce bookings for the first 2019 Young Leader's residential weekend are now open!

The weekend is open to all Young Leaders across Staffordshire from **Friday 8th till Sunday 10th February 2019** at **Shugborough Outdoor Education Centre** (Stafford). Come and join us!

We'll be running two courses during the weekend:

'Inspire' Training Course

(aimed at those in their first year of being a Young Leader)

Modules **D** (Understanding behaviour), **E** (Game on!), **G** (Programme Plans) and **H** (Programme Plans Plus)

We will also be running Module **A** (Prepare for take-off!) for those that need it.

'The Extra Mile' *new*

A brand new course aimed at those who have achieved their Young Leader belt and want to further develop their skills!

This is the first time we are running this course and are aiming to take more experienced YL's.

Email Matt.Ryder@StaffordshireScouts.org.uk if you would like more details!

During the weekend, we will have chance to go through modules from the Young Leaders' scheme and have plenty of time for general discussion as well as fun and games! Leaders who you may not know will be helping during the weekend giving you help and advice from their prior experiences. There will be Young Leaders present from around the County, so there will be plenty of opportunities to share ideas with everyone.

The cost for the weekend is ~~£50~~ **£25** per person – the County is halving the cost of the training for every participant.

Please complete and return the attached booking form direct to Staffordshire Scouts County Office, including payment.

There is a maximum of 50 places during the weekend, so please get your replies to the office as soon as you can (first come, first served). This weekend is always fills.

Please return the form by **7th January 2019**.

Medical forms, programme and meeting times will be sent out closer to the weekend – we will use the contact email/s on the application form for this, so please ensure it is correct.

If anyone has questions, please let me know!

Yours in Scouting,

Matt Ryder
Assistant County Commissioner (Explorers)
