

# Beavers Book Reader Activity Badge

Parts of this badge can be done in one evening, but other parts may take longer!  
Beavers may need assistance from a parent/guardian when completing this badge

## How to complete this badge

- Design a new cover for your favourite book, and write or record a video saying why it is your favourite book.
- Read at least six books (this one could be done in reading time during homeschooling). Here is a link for recommended books for Beaver aged children if you don't know where to start: [100 Best Books 6-8](#)
- Show you know how to look after a book and where to store them ([15 Tips for Caring for Your Books](#))
- Make a bookmark and say what it is for (here are some ideas to get you started [25 Different Ways To Make and Create Your Own BookMarks](#))

To show that these tasks have been completed, photos and videos can be uploaded to relevant facebook groups (e.g. your Beaver colonies' facebook group). If your group doesn't have a facebook group, then speak to your leaders about where you can upload your evidence!
