- 2) **Plan and run an activity (not a game) with the section you are volunteering with.**

To help find activities to do with your section, have a look here:

- 3) **Take the section's programme ideas to a programme planning meeting.**

For this mission you should think about what ways you could gather the information from your section and then take those ideas to a planning meeting.

- 4) **Take responsibility for organising and running part of the section programme.**

You can use the website in Mission 2 to help you find activities to run.

Tip: Think about a theme to join your activities together, maybe it's a linking evening between sections or it could be working towards a badge etc.

When you have completed the Missions you need to complete a 'write up' to explain what you did and why you chose to do it. You can find a template here (under Missions) to help you:
