Please write a personal statement in your own words about why you want to attend the 25th World Scout Jamboree in Korea and attach to your application form. This personal statement will be used to judge how you meet the criteria we are looking for to select the young people from Staffordshire to take part in this event. How are you going to help Staffordshire Roar at the Jamboree?
(Maximum 400 words please)

If you are struggling to complete your personal statement it might help if you consider your answers to the following questions:

Do you know anyone who has been to a WSJ? What have they said about their experience?

How did you hear about the WSJ?

What do you think you might enjoy most about the WSJ?

What do you think might be the difficult part of attending the WSJ?

By submitting this application form you are confirming to us that you have the full support of your parents/guardians, you have informed your Scout Troop / Explorer Unit of your intention to apply and are fully committed to taking part in the selection events taking place for all applicants. If selected you agree that you will attend a minimum of three weekend training events (likely to be at least four, dates will be confirmed in due course).
